2025 COLLECTION

WELCOME *to Bricini*

A home is a place of calmness,
tranquillity, safety and unforgettable
moments with those we love. We can't
wait to come home. Can you?

OUR BRAND

Crafted in Portugal near the shore, Bricini is influenced by the culture and experiences of the Portuguese coast.

Our beaches and summer destinations are our main inspirations, the memories created from generation to generation in family gatherings and vacations the fuel that ignites our creativity.

MANIFESTO

On the beach we create memories, we make friendships, we live wild adventures that will last forever in our minds.

Have you ever heard the saying "home is where your heart is"? Well, ours is at the beach. All year long.
